

Plan K

* You will pay half of the cost-sharing of some covered services until you reach the annual out-of-pocket limit of \$5880 each calendar year. The amounts that count toward your annual limit are noted with diamonds (◆) in the chart below. Once you reach the annual limit, the plan pays 100% of the Medicare copayment and coinsurance for the rest of the calendar year. **However, this limit does NOT include charges from your provider that exceed Medicare-approved amounts (these are called “Excess Charges”) and you will be responsible for paying this difference in the amount charged by your provider and the amount paid by Medicare for the item or service.**
