The rates above are for plan effective dates from June 2024 - May 2025 and may change.

1 Your age as of your plan effective date.

2 The **Enrollment Discount** is available to applicants age 65 to 80. You may qualify for an Enrollment Discount based on your age and your Medicare Part B effective date. If you are eligible, the discounted rates will be shown.

Who is eligible

You are eligible for the enrollment discount if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday or Medicare Part B effective date, if later, and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Level 2 rates do not apply to individuals who meet Medigap Open Enrollment or Guaranteed Issue.

How it works

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until the discount runs out.

3 Refer to the application.

4 **IMPORTANT:** Plans C and F are only available to eligible Applicants (a) with a 65th birthday prior to 1/1/2020 or (b) with a Medicare Part A effective date prior to 1/1/2020.

The rates above are for plan effective dates from June 2024 - May 2025 and may change.

1 Your age as of your plan effective date.

2 The **Enrollment Discount** is available to applicants age 65 to 80. You may qualify for an Enrollment Discount based on your age and your Medicare Part B effective date. If you are eligible, the discounted rates will be shown.

Who is eligible

You are eligible for the enrollment discount if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday or Medicare Part B effective date, if later, and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Level 2 rates do not apply to individuals who meet Medigap Open Enrollment or Guaranteed Issue.

How it works

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until the discount runs out.

3 Refer to the application.

4 **IMPORTANT:** Plans C and F are only available to eligible Applicants (a) with a 65th birthday prior to 1/1/2020 or (b) with a Medicare Part A effective date prior to 1/1/2020.
