

Your Guide to AARP Medicare Supplement Insurance Plans

To help you choose the AARP Medicare Supplement Plan, insured by UnitedHealthcare Insurance Company of America (UnitedHealthcare), to best meet your needs and budget, be sure to look at the information shown in this Guide and the other documents that show the expenses that Medicare pays, the benefits each Plan pays and the costs you will have to pay yourself. Also, be sure to review the Monthly Premium information. **Benefits and cost vary depending upon the Plan selected.**

Eligibility to Apply

To be eligible to apply, you must be an AARP member or spouse of a member, age 50 or older, enrolled in both Part A and Part B of Medicare, and not duplicating any Medicare supplement coverage. (If you are age 50-64 and eligible for Medicare by reason of disability or End-Stage Renal Disease, you are only eligible if you enrolled in Medicare Part B within the last 6 months, unless you are entitled to guaranteed issue of a Medicare supplement plan as shown under the following "Guaranteed Acceptance" section. You may only enroll in Plan A.)

Guaranteed Acceptance

- Your acceptance in any plan for which you're eligible to enroll is guaranteed during your **Medicare Supplement Open Enrollment Period**, which lasts for 6 months beginning with the first day of the month in which you are both age 65 or older and enrolled in Medicare Part B.
- Also, you may have a guaranteed issue right to enroll in a Medicare supplement plan in certain situations. Some examples:
 - you have a specific type of health insurance coverage that changes in some way, such as a loss of the coverage, or
 - you enrolled with a "trial right" to try a Medicare Advantage Plan but change your mind and want to switch back to a Medicare supplement plan during the trial period.

If you received a notice from your employer or prior insurer saying you are eligible for guaranteed issue of a Medicare supplement plan, you may be guaranteed acceptance into one or more AARP Medicare Supplement Plans. **If you have a guaranteed issue right, you must provide a copy of the notice, disenrollment letter or other documentation you received AND your Application Form must be received no more than 63 days after the termination date of your prior coverage. The documentation should include the type of coverage being lost, the termination reason, the termination date and the name of the person(s) who lost or is losing coverage.**

If you have questions about guaranteed issue rights, please see *The Guide to Health Insurance for People with Medicare*, which can be found at www.Medicare.gov/publications. You may also want to contact the administrator of your prior health insurance plan or your local state department on aging.

Exclusions

You Cannot Be Singled Out for Cancellation

Your AARP Medicare Supplement Plan cannot be canceled because of your age, your health, or the number of claims you make. Your AARP Medicare Supplement Plan may be canceled due to nonpayment of premium or material misrepresentation. If the group policy terminates and is not replaced by another group policy providing the same type of coverage, you may convert your AARP Medicare Supplement Plan to an individual Medicare supplement policy issued by UnitedHealthcare. Of course, you may cancel your AARP Medicare Supplement Plan any time you wish. All transactions go into effect on the first of the month following receipt of the request.

The AARP Insurance Trust

AARP established the AARP Insurance Plan, a trust, to hold the master group insurance policies. The AARP Medicare Supplement Insurance Plan is insured by UnitedHealthcare, not by AARP or its affiliates. Please contact UnitedHealthcare if you have questions about your policy, including any limitations and exclusions.

Premiums are collected from you by the Trust. These premiums are paid to the insurance company for your insurance coverage, a percentage is used to pay expenses, benefitting the insureds, and incurred by the Trust in connection with the insurance programs. At the direction of UnitedHealthcare, a portion of the premium is paid as a royalty to AARP and used for the general purposes of AARP. Income earned from the investment of premiums while on deposit with the Trust is paid to AARP and used for the general purposes of AARP.

Participants are issued certificates of insurance by UnitedHealthcare under the master group insurance policy. The benefits of participating in an insurance program carrying the AARP name are solely the right to receive the insurance coverage and ancillary services provided by the program.
